

## Eugene EmComm – August Break Script

**146.880 MHz 100 Hz Tone**

**Alternate 147.46 Simplex**

1. This is [CALLSIGN]. QRL, QRL. Is this frequency in use? Is this frequency in use? This is [CALLSIGN].
2. Good evening, everyone. This is [NAME], [CALLSIGN in ITU PHONETICS] in [YOUR NEIGHBORHOOD], Net Control Operator for this evening's session of the Eugene Emergency Communications Network.
3. On Wednesday evenings throughout most of the year, Eugene EmComm holds a network on frequency **146.880 MHz** with a 100 Hz Tone, with an Alternate frequency of **147.46 MHz Simplex**. On these evenings the net occurs from 7 to 8 PM.
4. During the month of August we take a break from our regularly scheduled nets. This evening is one of our break nights. *[pause]*
5. Stations who have tuned in to this frequency this evening are welcome to check in, though we have no scheduled program. We will resume our regular nets on [FIRST WEDNESDAY IN SEPTEMBER].
6. This is [NAME], [CALLSIGN] in [YOUR NEIGHBORHOOD], Net Control for this evening. If you do wish to be recognized this evening, please check in now with your call sign using ITU phonetics, your name, and your geographical location. Once you are recognized, you no longer need to use ITU phonetics. *[pause, take check-ins and questions]*
7. Are there any further questions or check-ins?  
  
*[after all traffic is completed]*
8. Hearing nothing further, I wish to thank everyone who checked in to tonight's Eugene EmComm net. We will resume our regular nets on [FIRST WEDNESDAY IN SEPTEMBER].
9. Thanks to LCSARO and W7ARD for providing emergency preparation leadership through Amateur Radio. Thank you to W7NK, the manager of this repeater, for the continued use of this repeater for use in emergency communication training and discussions. And thanks to those stations who stood by to give us a clear operating frequency for this net.
10. This is [NAME], [CALLSIGN] in [YOUR NEIGHBORHOOD], securing the weekly Eugene EmComm Net on Frequency 146.880 MHz at [MILITARY TIME]. This frequency is now open for general Amateur Radio use, thanks everybody. This is [NAME], [CALLSIGN], **CLEAR**.
